OUR MISSION

Our client wants to install his new sushi restaurant in Toronto. He asked us to help him finding the neighborhood in Toronto which is the most interesting, considering both presence of potential clients and competition with similar restaurants.

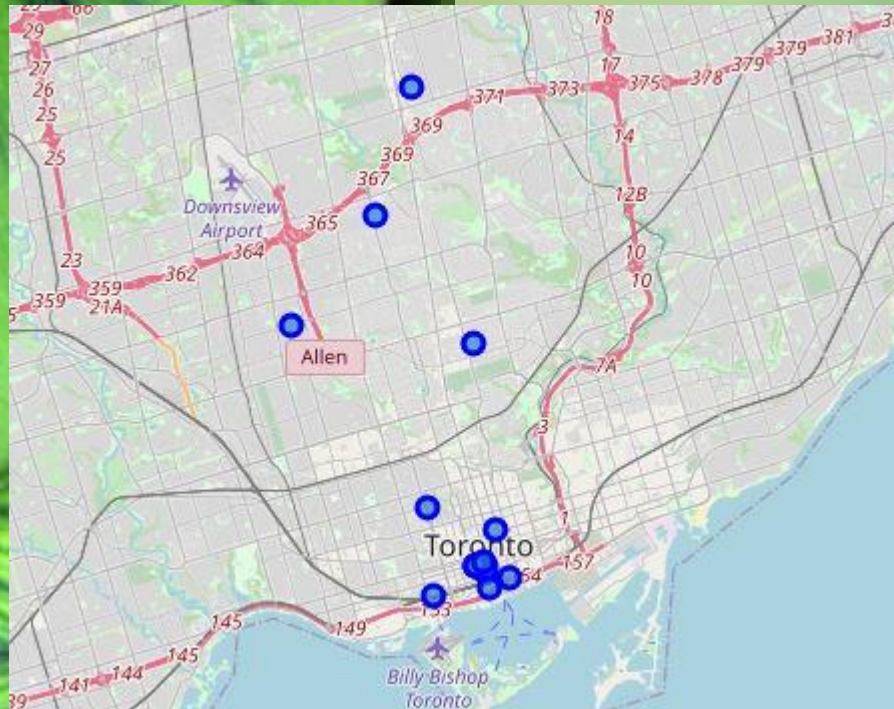

TORONTO NEIGHBORHOODS

Here is a map of all neighborhoods of Toronto. We will search the most interesting ones for our client to install his sushi restaurant.

You can find here a map showing the best 15 locations we selected given their potential volume of clients and competition.

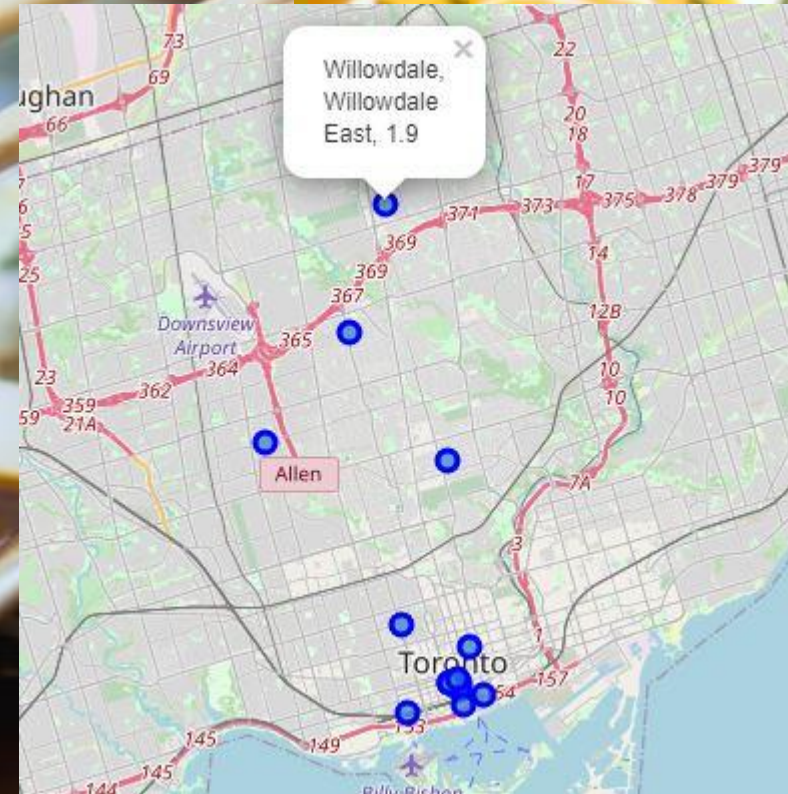

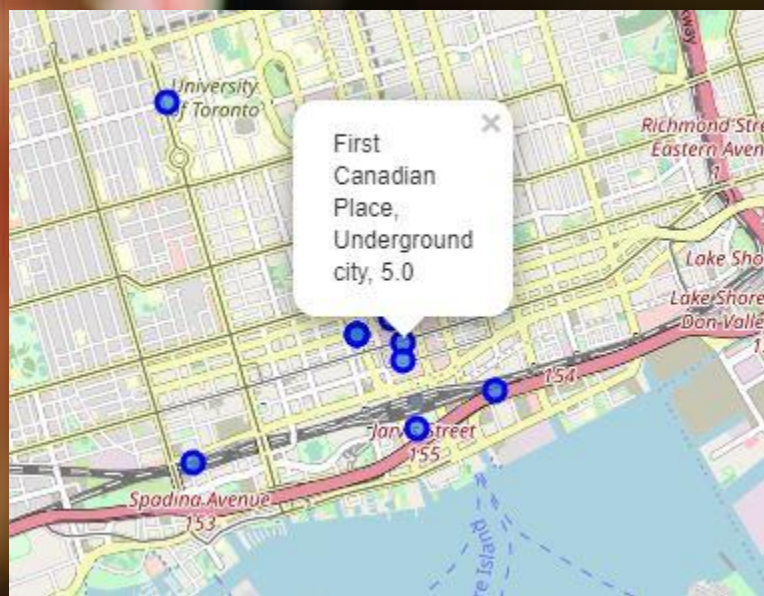

**THE BEST
LOCATIONS**

Here we figured our favorite 2 locations.

The first one has the highest score and is then the best overall.

The second one is further from the center of Toronto, and is possibly the best compromise between efficiency and installation costs.
